

Supply & Contracts Dept Update

15 Apr 03

- DoD/SSC-SD immunization policy
 - Finalizing letter to contractor employees, identified as mission-critical, traveling to High Threat Areas (HTAs) or U. S. Central Command (CENTCOM) Theater of Operations
 - Requires immunization with smallpox and anthrax vaccines
 - Distribution of letter
 - SSC-SD contracts – PCOs will transmit by e-mail to contractor counterparts
 - Non-SSC-SD contracts – PCOs will transmit to technical POC for further forwarding to contracts manager and contracting activity
