A NOTE FROM THE CHAPTER PRESIDENT

I'm honored to take on the duties as the president of our NDIA chapter for 2017. I want to start by thanking my predecessor, Alyx Schmidt for her two years of leadership; our Chapter has flourished under her guidance.

I'm convinced that the role of our industry is critical in these challenging times and the San Diego region is critical to our National defense. Through NDIA, we have the opportunity to learn, express our views, and better serve our Armed Forces. My goal is to provide a forum for this learning and expression and I welcome your suggestions as to how we can best serve you. Don't hesitate to share your thoughts with me on how we're doing or how we could do better. My email is terry.mckearney@therangergroup

I look forward to hearing from you!
