A lot has happened...

- 4-21 Dec 2018 – Vendor Registration
 - What if I didn't register?
- 21 Dec 2018 – Govt User Access to NxG
 - Solicitations have been issued!
- 2 Jan 2019 – Vendor Access to NxG (GO LIVE!)
- Effective 1 Nov 2018 – NMCARS makes consideration of SeaPort mandatory
 - What does this mean?

- Single NAICS (541330)
- Removal of Zone Presence Requirements – All MAC holders will get all zones
- Grouping of functional areas
- Off-ramp process
- US Navy Experience, as either prime or sub, in order to win MAC - Limit vendor entry to those that will bid on work to increase quality competition and reduce administration costs
- Mandatory Gov't User compliance with SOP to increase standardization and reduce cycle time

- What happened to SeaPort-e?
- Can I get trained on how to use SeaPort-NxG?
- How does re-certification of size status work under NxG?
- What is the difference between a Subcontractor and a Team Member?

- When is the first rolling admission to be held?
- If I have an NxG MAC, will I automatically get the award term?
- Do I automatically get the minimum guarantee of \$500?
