WIN GRANTS FOR YOUR TEAM!

Registration is now open for the 12th Annual SoCal Cyber Cup Challenge! In the last 11 years, teams have been awarded over \$160,000 in grants to further Cybersecurity education for their team(s).

WHO CAN COMPETE?

Students in middle school, high school and community college in the counties of Imperial, Orange, Riverside, San Bernardino and San Diego. The Cyber Cup provides hands-on experience and learning with Cybersecurity. Compete against students from 115 other school districts, Community Colleges, Boys/Girls Clubs, Churches and other Cyber Clubs!

TEAMS

FORMING A TEAM IS EASY!

Talk to your friends and students in STEM clubs / classes to form a team of 3 to 8 students. Ask a parent, teacher or another adult to help as your coach. Need to learn "Cybersecurity?" We can help find a mentor for your team!

IT'S FREE!

The Cyber Cup is free to all participants, coaches and mentors. Form a team and have your coach register it. Once your coach registers your team, they will forward you an access code to register and self organize onto a team unless the Coach submits a team roster.

WHEN IS IT?

Registration is open through April 15, 2021.

- ◆ February 15 to May 16, 2021 - Practice gym open
- ◆ 9 am April 22 to 9 pm April 24, 2021 - Qualifier window (teams sign up for 6 hour window)
- ◆ May 22, 2021 - Finals round will be held virtually, top 8 teams from each division.
