

13TH ANNUAL CYBERSECURITY COMPETITION

SPONSORSHIP OPPORTUNITIES

OVER 1 MILLION STUDENTS IN SOUTHERN CALIFORNIA
BETWEEN 6TH GRADE AND COMMUNITY COLLEGE

CONNECT WITH 115 SCHOOL DISTRICTS IN SOCAL

As a sponsor, you can help students in Imperial, Orange, Riverside, San Bernardino and San Diego Counties learn about an exciting career in STEM: Cybersecurity! By participating, the students can be Exposed, Educated and Enlightened with opportunities in software, IT and cybersecurity careers.

INFLUENCE ENGAGE WITH THE BRIGHTEST YOUNG MINDS

In the last 12 years, the Cyber Cup has awarded more than \$184,000 in grants to help students to further their education in STEM. In a hands-on, uniquely designed educational experience for 2022 teams will compete using National Cyber League (NCL), top level cybersecurity training platform, powered by Skyline, for cyber professionals of all skill levels.

EDUCATE EDUCATE MINDS FOR THE FUTURE

The SoCal Cyber Cup provides an opportunity to ALL students in Southern California to be Exposed, Educated and Enlightened! Sponsorship benefits include: connecting with students, teachers, parents, STEM & club leaders and the ability to include and educate the STEM workers coming to the workforce in the next 10 years.

FEEL GOOD GIVE BACK AND GROW THE INDUSTRY, AS WELL AS OUR YOUTH

Free to all participants! Please consider sponsoring this amazing opportunity, which is funded 100% by gracious sponsorships and grants. It is free of cost, regardless of schooling choice or economic status, with opportunities in software, IT and cybersecurity careers. Please consider helping us to provide this free opportunity by gifting SoCal Cyber Cup with a sponsorship and/or grant.
