How do AFCEA and NDIA benefit the community?

AFCEA and NDIA have partnered to organize this event in conjunction with the NDIA Fall Forum and C4ISR Symposium. Both organizations serve as ethical bridges between government requirements and industry's capabilities, representing the top government, industry, and military professionals, with a strong emphasis on small business and community outreach. Both AFCEA and NDIA are non-profit organizations whose proceeds go back into the San Diego community in form of educational scholarships, grants, and scholastic awards for high-achieving youth.
