Learn Cybersecurity Skills!

Registration opens Feb 6 for the 14th Annual SoCal Cyber Cup Challenge! Coaches and Mentors will support teams of up to 8 individuals through introduction, training, Qualifying Round and Finals

WHO CAN COMPETE?

Students in middle school, high school and community college in the counties of San Diego, Riverside, Imperial, Orange, and San Bernardino. The Cyber Cup provides learning and hands-on experience via Cybersecurity tutorials and virtual practice gym. Compete against students from 50 other middle and high schools and Community colleges.

TEAMS

FORMING A TEAM IS EASY!

Talk to your friends and students in STEM clubs / classes to form a team of 3 to 8 students. Ask a parent, teacher or another adult to help as your coach. Need to learn "Cybersecurity?" We can help find a mentor for your team!

IT'S FREE!

The Cyber Cup is free to all participants, coaches and mentors. Form a team and have your coach register it. Once your coach registers your team, they will forward you an access code to register and self organize onto a team unless the Coach submits a team roster.

WHEN IS IT?

Registration is open Feb 6 to April 15, 2023.

- ◆ February 6 to April 26, 2023 - Practice gym open
- ◆ 9 am April 27 to 9 pm April 29, 2023 - Qualifier window (teams sign up for 6 hour window)
- ◆ May 13, 2023 - Finals round will be held virtually for the top 8 teams from each division.
