

# Go Fast, can the Navy Door Dash?

How a Gig Marketplace Could Help Us Produce

# What is a Gig marketplace?

**An app based platform that doles out work in chunks**

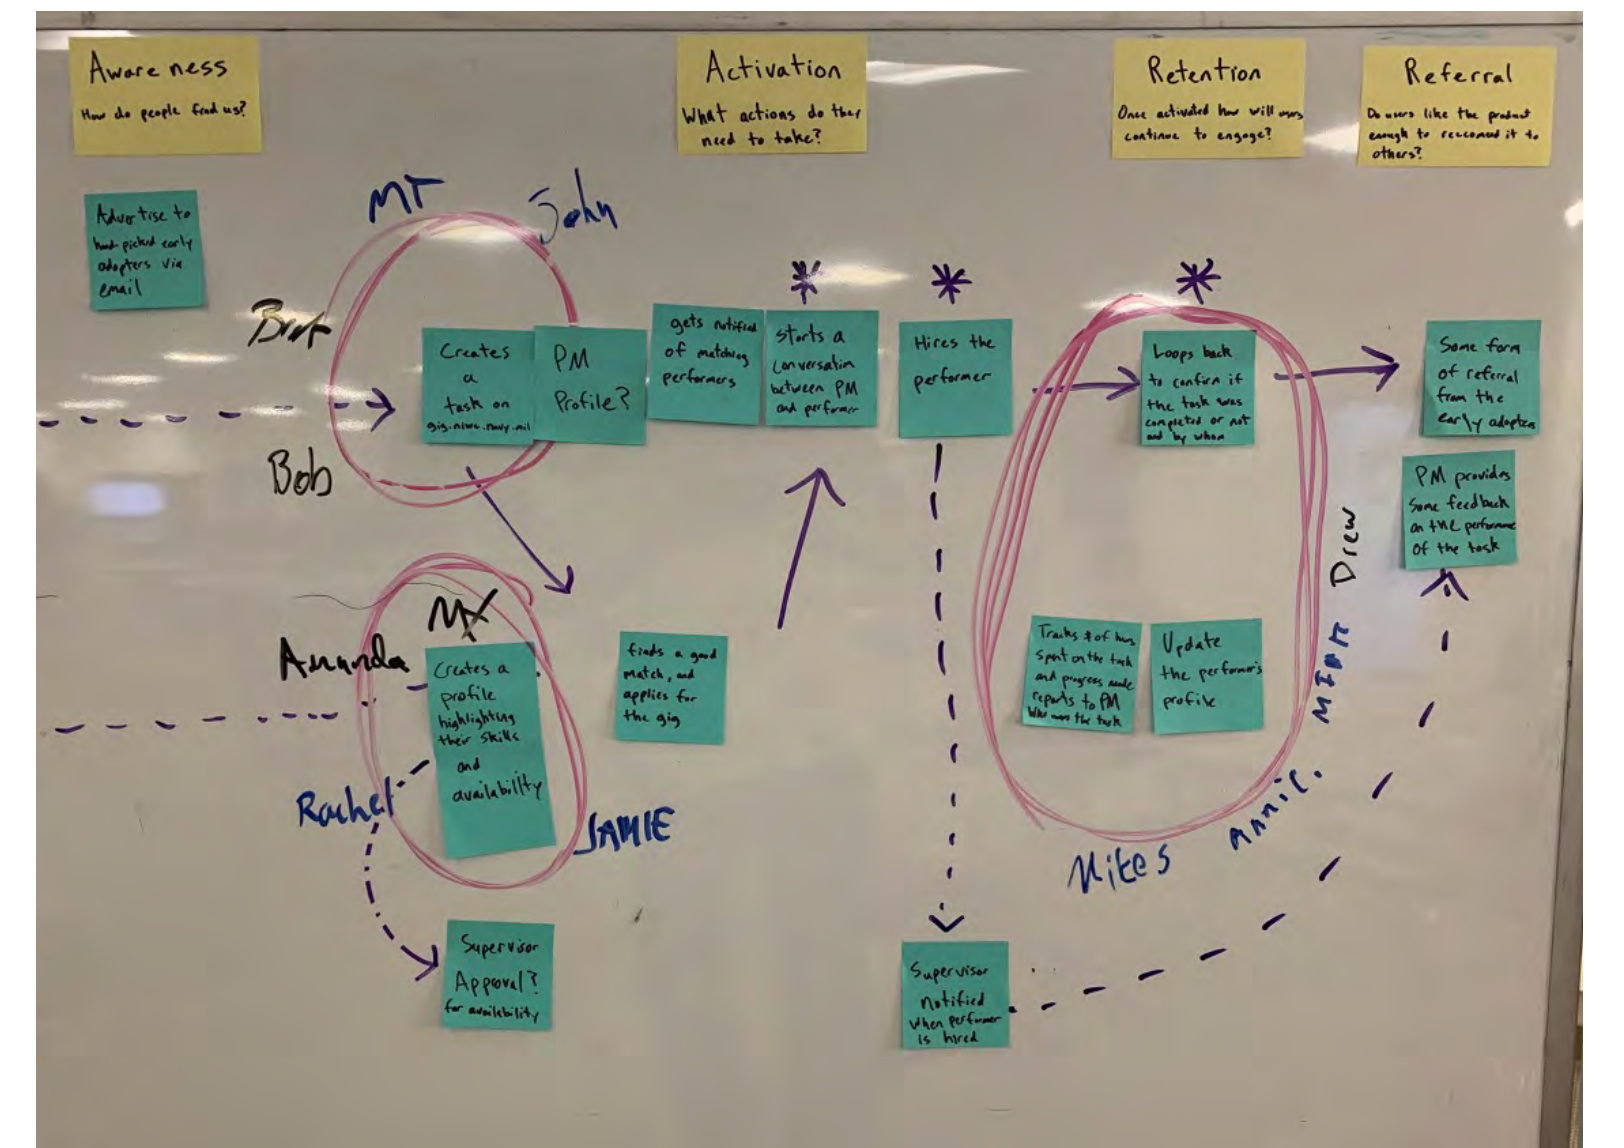

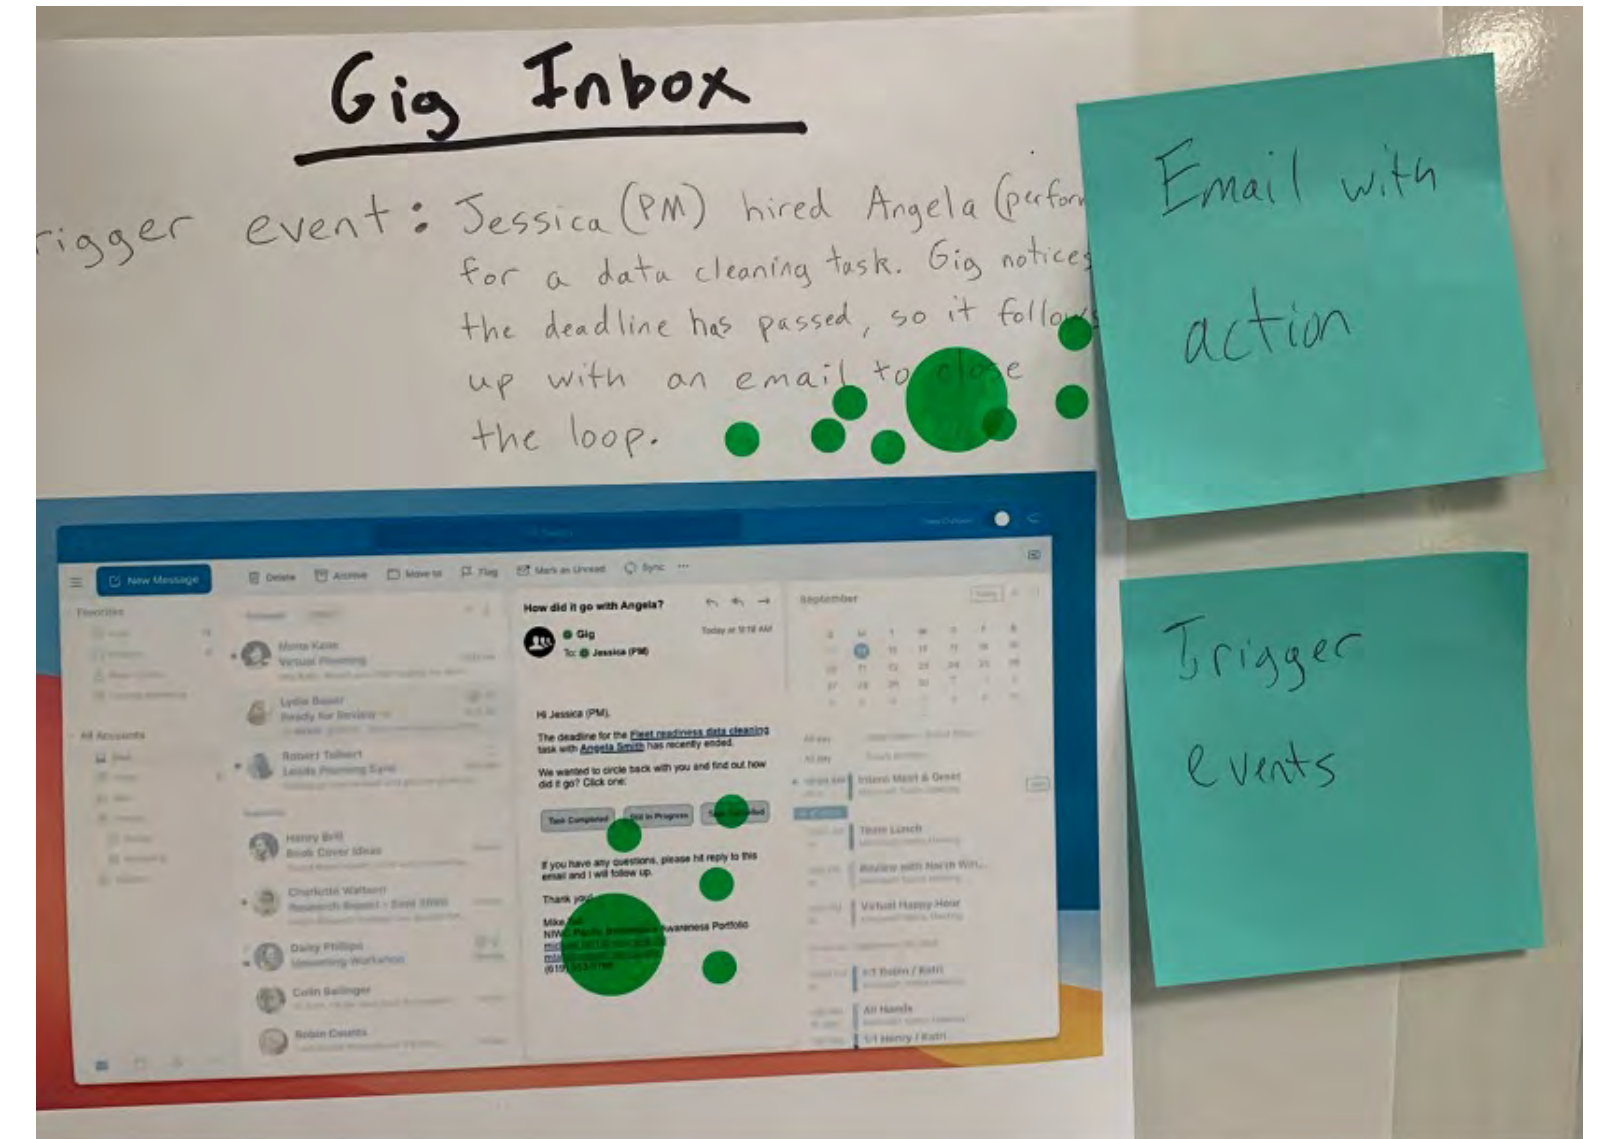

**Term comes from bands securing paid performances**

**To change how we find and execute work**

**A VISION**

Create user profiles

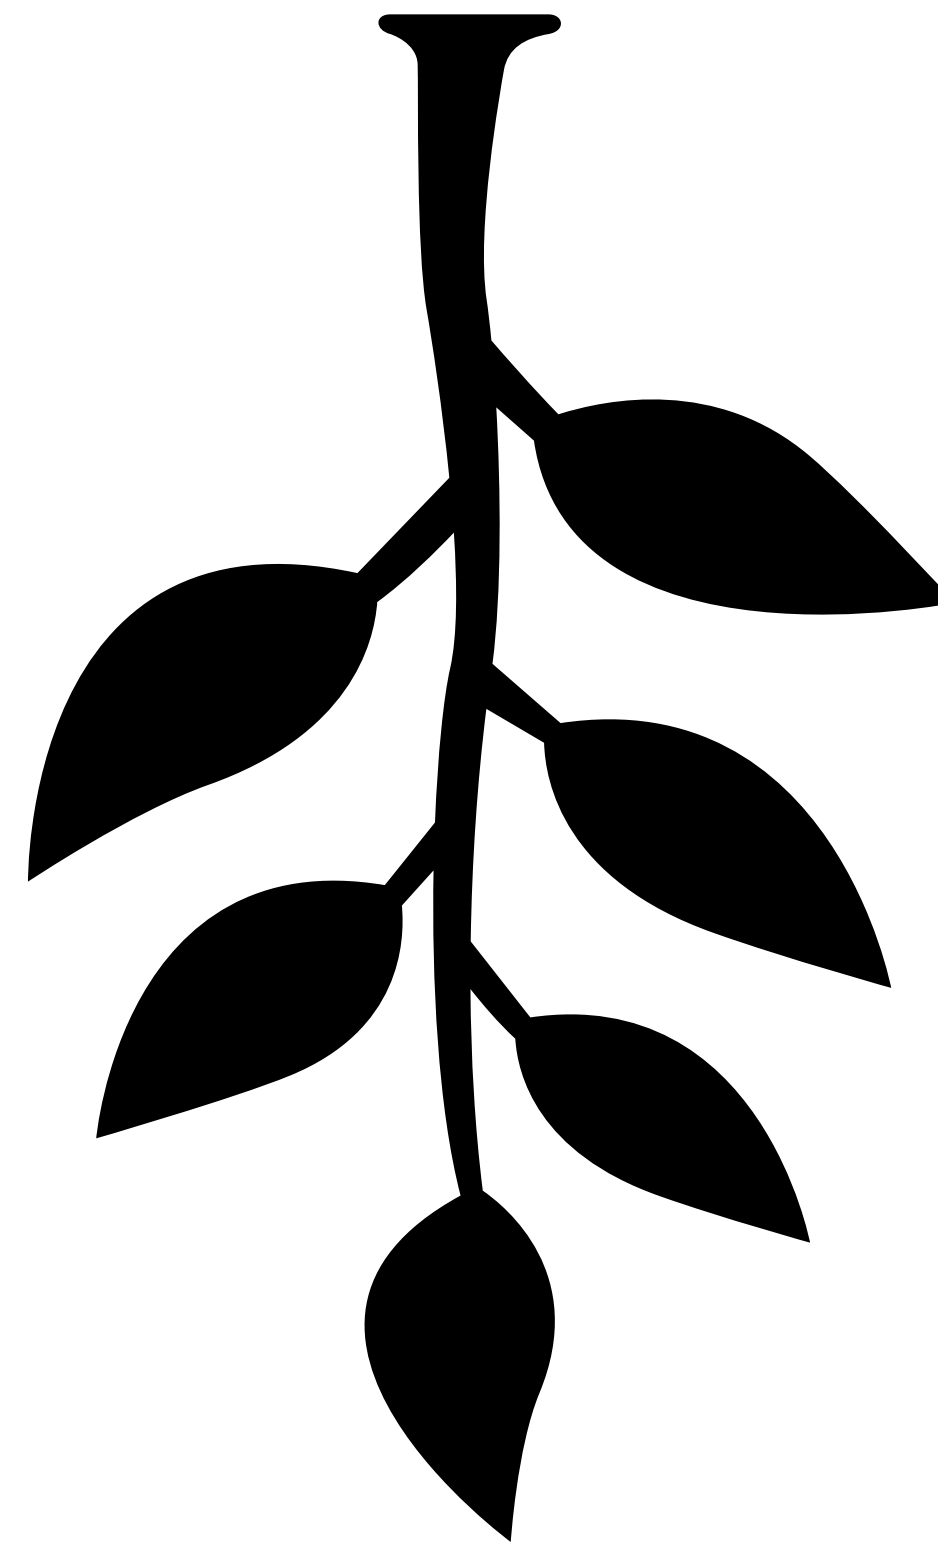

A user profile card for Mike Tall. It features a circular profile picture of a man in a green jacket and sunglasses. The card has a black header with two white cloud icons. Below the photo, the name 'Mike Tall' and 'NIWC PAC Battlespace Awareness Portfolio' are listed. A 'Skills' section follows, listing 'Autonomy 10 gigs', 'Embedded Software 12 gigs', 'Python 9 gigs', and 'Machine Learning 7 gigs'.
